

Disciple of the School of the Crystal Sun

Size 2
 Alchemist of the Outer Circle (Air)
 Ranger
 Alchemical support

Disciple of the School of the Crystal Sun (2) 24pt

Alchemical support
 Once per turn, during its activation, a Disciple can give all or part of its components to an allied alchemist in base contact.

Alchemist of the Outer Circle (Air)
 When a Disciple ends an action at less than 1" of a component marker, he can harvest. If this marker is Air, he can harvest 4 components. For a marker of any other essence (Water, Earth, Fire), he harvests 2. An alchemist can harvest only one component marker by turn.

Disciple of the School of the Crystal Sun

Lightness of the wind (0)
 2 Airs / 8 p / auto
 The Formula targets an allied miniature of Size 1 or 2 within range, that is not a Hero.

Until the end of the turn, either the target gains the Ranger skill, either the target can disengage without making an opposed Reflexes roll, at the choice of the player.

Enhancements:
 2 for an extra target within range
 1 to stack both effects
